

Citizens Business Bank Selects Workway for Staffing Services

Burbank, Calif., June 18, 2007 – Workway, a Burbank, Calif.- based staffing firm specializing in serving the financial and other technical industries, announced that Citizens Business Bank (Ontario, Calif.), serving businesses and professionals in southern California, has selected Workway for its staffing services.

Workway has helped the bank place employees in multiple positions, including relationship managers, financial services representatives and merchant tellers.

“We chose Workway because they provide good, qualified candidates in a responsive and efficient manner,” said Mike Wilson of Citizens Business Bank. “We know our representatives at Workway are working very hard to find employees that fit our needs, saving us time and enabling us to focus on our bank’s other needs.”

“Citizens Business Bank needed multiple employees that they could depend on to maintain a constant positive level of service to their customers,” said Roger Iris of Workway. “Our ability to make recruiting new staff easy, and to tailor staffing solutions to meet Citizens Business Bank’s needs enables them to operate more efficiently and cost effectively.”

As part of Workway’s services, applicants are extensively pre-screened, interviewed in a one-to-one setting and offered skills assessments tests to confirm job seekers’ qualifications and placed in a temp-to-perm or direct-hire position. The company currently employs 75 full-time staff and has more than 150 customers nationwide.
